Dear fellow travelers,

This is the message in front of the church this week. May it give you comfort and strength to face the days ahead.

Here we are at the end of another week; a week that has seen the weather and the world blossom with greenness and color. The warmth of the sun has eased some of the uncertainty of this world. This is Memorial Day weekend, but I am not sure what this means in these times. My hope is that it gives us more time to reflect on what this holiday truly means.

**The Trustees** announced this week we will have a supper in June. It will be a "take out" supper only and will be held on June 20 from 5:00-6:30 pm. More details to follow. Stay tune.

**Please join us this Sunday on Zoom to worship with SallyAnn Silfies as our worship leader.** The link has been sent out and if you did not receive it, please let Norma know. I would urge you to update your Zoom as we are now using a newer version. Again we will hope that all goes well as we navigate through these times.

Faithfully,
