This Sunday, we will look at two accounts from the Gospel of Mark, Mark 1:21-28 and Mark 5:1-20.. We will explore how important it is to understand mental health issues and to offer people healing and hope.

Dear fellow travelers

It is hard to believe that we are already at the end of the first month of 2021. Soon we will be celebrating the anniversary of this odyssey we are on, and maybe it's time to reflect what this year has brought and where it will take us. What hopes and dreams do you have?

The women continue to meet on Thursday morning at 9 am for conversation and bible study. We are currently reading The Book Of Joy and learning how to be more joy filled. Our next meeting we will be discussing pages 115-144, the sections on despair, loneliness and envy. If you would like to join us, please contact Norma in the office or Nancy Simpson at nanteaches@comcast.net.

The technology committee is looking for people interested in training to run the worship service on Sunday mornings. If you are interested, please contact Norma in the office.

Faithfully
