Dear fellow travelers:

Again this week we have no sign. Well, that's not true. The outside sign is advertising the chicken and biscuit drive-thru supper on Saturday night (more details below). It raises the questions: Are you being fed? and Are you hungry? Or maybe the question is: What are you hungry for? Food for thought for the week ahead.

We are watching the rise of infections and the change in Vermont's map of restricted travel. We are moving toward providing a Zoom worship in the near future. There are some issues to be resolved around this. We will keep you informed when we will be offering that option.

The Women's Fellowship is continuing to meet on Thursday morning from 9 to about 10-10:30. We continue with a Bible study of women of the Bible. Next week we will be talking about Eve.
