

Weekly Newsletter 4.16.2021

Dear fellow traveler

We wake this morning with a little snow on the ground and much needed rain falling. Snow at this time of the year is said to be poor man's fertilizer! Though we have little here in the valley I am sure those who live at higher elevation have more than the dusting here. Soon however it will be gone again and the world will be clothed in the beauty of springtime green, rebirth of life that this time of year brings.

Women's Fellowship continues our Thursday morning's gatherings at 9 am. Our plan is to be outside next Thursday, April 22 in the parking lot. However Mother Nature may have other plans, please stay tuned for an email next week confirming this plan.

Notes from Moderator: Reminder of the Cabinet Meeting.

The Cabinet Meeting is scheduled for Sunday, April 18th at 12:30 pm. A separate link will be sent.

Please attend and support the church. We would like to get at least one person from each committee. Tom has mentioned that there are several matters to be discussed which includes the air filtration for the church and decided on. The business portion of the meeting will precede the reports. (please bring in your reports.) Your vote counts!

The Trustees are pleased to announce that our own Aaron Richter has been hired to serve as our next Church Administrator following the retirement of our beloved Norma Hazelton, who is officially retiring on April 23rd. We again wish to thank Norma for all of her years of service to the Church. We will miss Norma for her welcoming warm presence in the office and wish her well into her "real" retirement. We also are excited to welcome Aaron aboard, who will start his new position on Monday, April 26th. Aaron plans to have office hours from 9:00 a.m. – 1:00 p.m. Monday – Friday. When you get a chance, stop in and say hi and welcome him aboard!

WLCC Men's Group

Spring has arrived, the bears have come out of winter hibernation and it's time for the WLCC Men's Group to do the same. The WLCC Men's Group is open to all. No membership or obligation, just an interest in fellowship, service, and (when Covid is over) food.

We will be having a **meeting on Saturday April 24**. It will be **outdoors** in the WLCC parking lot and we'll **start at 11:30 am** so it will be a little warmer. Should be finished around 1 pm. Bring a lunch, and we'll have a discussion topic to share. We will also plan activities for the upcoming months. One is that an older parishioner has asked if we would build her a ramp.
