

WLCC Friday Newsletter 8.25.23

Dear beloved community,

Here in New England stone walls and stone foundations are not unusual. I love the rugged, natural beauty of real stone walls. You might guess that I am not a fan of the concrete blocks that have become so popular for building walls, but I understand they are practical for those who do not appreciate the puzzle of building a wall of rocks. I have built a few stone walls and it is a labor of love as well as mental and physical exercise. A good foundation is key as is true with most things we build, from walls to organizations.

In our gospel reading for this week Jesus asked his disciples what people were saying about him. "Who do people say the Son of Man is?" After they listed a bunch of names Jesus asked who *you* say that I am. When Simon gave a wise reply Jesus told him he would then be called Peter, meaning the rock. He would be the rock upon which the church would be built.

Jesus was the cornerstone and the disciples became the foundation upon which the Christian church was built. You may have noticed we have been posting the boards and committees and current members of each group on the back of the bulletin. This is in part so everyone can see how many people are working behind the scenes, and who they are. These lists remind us that it takes a strong foundation to hold up our church, to accomplish all that we do together. There are many whose names are not on those lists who are also important, just like the doors and windows, walls and roof are important in a building. But without a good foundation a building or an organization will not stand for long. Let's talk more about all of this on Sunday.

Hope to see you in worship!

Get ready to sing! We will be having a Karaoke Night in the sanctuary on September 30th at 6pm. All are welcome to join us for this fun free event. Come to just listen and cheer on the singers or get up and belt out your favorite song! Light refreshments will be available.

TIME TO CLEAN!

Dear committee members,

It's time to clean out the mailboxes in the administrative assistant's office. If each committee could have someone come in during office hours to clean out their mailboxes, this would go a long way to making the office a more inviting space for all. We are working to move other clutter out as well.

Thank you,

Nancy Simpson & Aaron Richter

Little Food Pantry

Thank you to all who have contributed food, but we are again in urgent need of food for our pantry this summer! Some items that go quickly are peanut butter, cereal, ramen noodles and coffee, also shelf stable milk. Food can also be put inside the Food Bin in the sanctuary which is taken to the Haven or LISTEN. Please pass the word on about the availability of food in the Little Food Pantry.

Christmas Bazaar News

Women's Fellowship will be holding its Christmas Bazaar, October 21 at which we will be selling hand crafted items, Christmas decor, food and candy, jewelry, and basket raffle. In order for this to be successful we will need **all** hands on deck! How can you help? If you make things or cook, please consider working on something that you would be willing to donate or fill a basket that we can have in our raffle. We will have a table set up with baskets of various sizes that you might choose from to fill and provide a return date for the filled basket. The women thank you in advance for your generosity.

WLCC Giving Options

We have instituted several new electronic (credit/debit/ACH) giving options. Note that these are in addition to the conventional giving methods. **If you are comfortable with the giving method you currently use there is no need to change.** The intent of adding these electronic options is to make giving more convenient, which will hopefully increase our revenue. Note that the church is charged a nominal processing fee with each electronic transaction, so please consider covering that fee if you use an electronic option. The electronic options will allow you to specify where you would like your gift to go (e.g. general fund, memorial gift, missions, etc.). You can access these options by going to the WLCC home webpage (<https://westlebcc.org/> and clicking on the "Give" tab along the top, or go directly to the **Giving page** <https://westlebcc.org/give/>. If you have any questions or problems, please see Aaron in the WLCC office or our collector Christine Kidd.
